**SOUTHWESTERN PENNSYLVANIA COMMISSION (SPC)**  
**FFY 2004 DBE PROGRAM**

**POLICY STATEMENT**

**Section 26.1, 26.23**

**Objectives/Policy Statement**

The SPC has established a Disadvantaged Business Enterprise (DBE) program in accordance with regulations of the U.S. Department of Transportation (DOT), 49 CFR Part 26. The SPC has received Federal financial assistance from the Department of Transportation, and as a condition of receiving this assistance, the SPC has signed an assurance that it will comply with 49 CFR Part 26.

It is the policy of the SPC to ensure that DBEs as defined in part 26, have an equal opportunity to receive and participate in DOT-assisted contracts. It is also our policy: (Objective)

1. **To** ensure nondiscrimination in the award and administration of DOT – assisted contracts;
2. **To** create a level playing field on which DBEs can compete fairly for DOT-assisted contracts;
3. **To** ensure that the DBE Program is narrowly tailored in accordance with applicable law;
4. **To** ensure that only firms that fully meet 49 CFR Part 26 eligibility standards are permitted to participate as DBEs;
5. **To** help remove barriers to the participation of DBEs in DOT assisted contracts; and
6. **To** assist the development of firms that can compete successfully in the market place outside the DBE Program.

The SPC Finance/Administrative Director has been delegated as the DBE Liaison Officer. In that capacity, he is responsible for implementing all aspects of the DBE program. Implementation of the DBE program is accorded the same priority as compliance with all other legal obligations incurred by the SPC in its financial assistance agreements with the Department of Transportation.

SPC has disseminated this policy statement to the SPC Board of Director's and the SPC Executive Committee of the Commission and all of the components of our organization. We have distributed this statement to DBE and non-DBE business communities that perform work for us on DOT-assisted contracts. Distribution via mail and/or email.
