

**SOUTHWESTERN PENNSYLVANIA COMMISSION  
DISTRICT 12- 0 PROGRAM**

**DISCUSSION:**

- District 12 has requested a number of cost and program adjustments to the FFY 2012 Program. PennDOT and SPC have developed a Fiscal Constraint Chart (see attached), which lists the projects and program modifications needed to fund these adjustments.
- Fiscal modifications are being made to the FFY 2011 – 2014 SPC TIP to keep the year to year funding in balance.
- The following project summaries identify those projects having a significant cost increase or additions to the program. Other program modifications include minor cost increases and phase additions as listed on the fiscal constraint chart.
- Funding for the cost increases will be provided from the deferrals and deletions of several projects from the FFY 2011 – 2014 SPC TIP. Other adjustments are made within the first four years to maintain TIP fiscal constraint.

**PROJECT SUMMARIES**

**MPMS#93073- PA 51: PA 201 to Randall's**

- The project is the pavement preservation of PA 51 from PA 201 to Randall's. The scope of work will consist of 2" milling, resurfacing, Type 7 shoulders and updating the guide rail, ADA ramps, signing & pavement markings, and repairing road slides and washouts and other miscellaneous construction Perry Township & Perryopolis Borough, Fayette County.
- District 12-0 is requesting to add the construction phase of this project to the TIP in FFY 2012 and FFY 2013.
- Funding for this project Federal STP funds with a toll credit match and will be made available by removing MPMS# 82510- Farmington to Dinner Bell, this project will be completed with a Fayette County SIP Contract, removing MPMS#87370- PA 51: Oliver to Bitner- this project is fully funded on the FFY 2013 draft TIP to correspond with the project schedule, utilizing a deobligation of the construction phase of MPMS#70098- Fayette CPR, and the use of MPMS#76508-D12 State HWY Reserve.
- A level 2 Linking Planning and NEPA form has been submitted; this is a new project and has not been on a previous TIP.

**MPMS#30637- SR 3001 over Dutch Fork**

- The project is the replacement of the culvert carrying SR 3001 over Dutch Fork in Donegal Township, Washington County.
- This culvert was closed in May 2011 due to a wash out, and will be replaced with an On Demand Bridge Contract through Allison Park Contractors.
- District 12-0 is requesting to add the construction phase of this project to the TIP in FFY 2012.
- Funding for this project will be 100% State Bridge BND Funds made available by decreasing MPMS#84331-D12 SD Bridge Line Item.
- A level 2 Linking Planning and NEPA form has been submitted; this is a new project and has not been on a previous TIP.

**MPMS#30979- Pigeon Creek # 30**

- The project is the replacement of the structure carrying SR 7225 over Pigeon Creek (Iams Bridge) in Somerset Township, Washington County.
- District 12-0 is requesting to increase the Final Design phase of this project min FFY 2012 to complete miscellaneous design tasks.
- Funding for this project will be 100% State Local Bridge Funds made available by decreasing MPMS#79836- Washington County Local Bridge Line Item.
- This project is on the current TIP and does not require a Linking Planning and NEPA Form.

**MPMS#74537- Market Street- Brownsville**

- This project will include the streetscape improvement of a three block area of the National Area/Historic Route 40 in the Brownsville North Side Historical District. The project will consist of the placement of historically correct lighting, benches, trash receptacles, as well as the relocation and burial of utility lines. Trees and landscaping will also be an important part of this project.
- District 12-0 is requesting to add the Construction phase of this project to the TIP in FFY 2012.
- Funding for this project will be 100% Federal Transportation Enhancement funds made available by decreasing MPMS#82754-SPC TE Line Item. This project was awarded \$298,455 in TE Funds in 2004.
- This project was included on a previous TIP and does not require a Linking Planning and NEPA Form to be completed.

**MPMS#47432- PA 88 & 837 Carroll Township**

- The project is the addition of turn lanes to PA 88 and PA 837 as well as signal improvements to the intersection in Carroll Township, Washington County.
- District 12-0 is requesting to add the Preliminary Engineering phase of this project to the TIP in FFY 2012 and FFY 2013.
- Funding for this project will be 100% State Highway A-581 funds made available by adjusting the cash flow of the Final Design, Utility, and Right of Way phases of this project to correspond with the project schedule.
- This project is on the current TIP and does not require a Linking Planning and NEPA Form.

**MPMS#73008- SPC Wetland Banking Projects**

- This project is the wetland banking in Fayette, Greene, Washington and Westmoreland Counties.
- District 12-0 is requesting to increase the Final Design phase of this project to complete design work in FFY 2012.
- Funding for this project is 100% State Highway A-581 funds made available by decreasing MPMS#76508- D12 State Highway Reserve.
- This project was included on a previous TIP and does not require a Linking Planning and NEPA Form to be completed.

**MPMS#57455- PA 130 @ Pleasant Valley Road**

- This project the intersection improvements of PA 130 with SR 4025 (Nike Site Rd) and PA 130 with Suhan Drive in Penn Township, Westmoreland County.
- District 12-0 is requesting to add the Preliminary Engineering phase of this project to the TIP in FFY 2012.
- Funding for this project is 80/20 Federal Highway/ State Highway funds made available by decreasing MPMS#76508- D12 State Highway Reserve.
- This project was included on a previous TIP and does not require a Linking Planning and NEPA Form to be completed.

**MPMS#87367- PA 119 to George's Station**

- This is the pavement preservation of US 30 from PA 119 to George's Station Road in South Greensburg and Southwest Greensburg Borough , Hempfield Township, Westmoreland County
- . The scope of work consists of milling, resurfacing, upgrading existing traffic signals and updating drainage, guide rail, signing and pavement marking & structure preservation work. A left turn lane will also be installed at the intersection of on Old Route 30 (township road 398) and US 30.
- This project was part of the 2009 American Recovery and Reinvestment Act. (ARRA)
- District 12-0 is requesting to increase the construction phase of this project in FFY 2012 and FFY 2013.
- Funding for this project will be Federal STP funds with a toll credit match and will be made available by decreasing MPMS#76508- D12 State Highway Reserve.
- This project was included on a previous TIP and does not require a Linking Planning and NEPA Form to be completed.

**MPMS#30930-US 40: I-70 to PA 18**

- This project involves roadway widening and resurfacing, drainage upgrades, curb gutter and sidewalk improvements, and updated traffic signals at Hayes Avenue and McCarrell Avenue, in the City of Washington, Canton Township, and North Franklin Township, Washington County.
- District 12-0 is requesting to increase the Construction phase of this project in FFY 2012.
- Funding for this project is 100% State Highway A-581 funds made available by decreasing MPMS#76508- D12 State Highway Reserve.
- This project is on the current TIP and does not require a Linking Planning and NEPA Form.

**MPMS#31872- Jeanette- Amos K Bypass**

- This project is the widening of US 30 to five lanes for the addition of a center turning lane, new traffic signals, and resurfacing of US 30 (Lincoln Highway) from Allegheny Power to the Amos K. Hutchinson Bypass in the City of Jeannette and Hempfield Township.
- District 12-0 is requesting to increase the utility phase of this project in FFY 2012 and FFY 2013 to cover costs associated with utility relocations.
- Funding for this project is 80/20 Federal Highway/State Highway funds made available by decreasing the Construction phase of the project due to savings after the final estimate was completed.
- This project is on the current TIP and does not require a Linking Planning and NEPA Form.
