The county profile information contains precise county totals for the most part since the part of the four municipalities in the SPC region that are located in more than one county -- Ellwood City Borough in Beaver County & Lawrence County, McDonald Borough in Allegheny County & Washington County, Seven Springs Borough in Fayette County & Somerset County, and Trafford Borough in Allegheny County & Westmoreland County -- are accounted for in the appropriate county.

The only exception is for building permits since the information is by municipality without a county distinction. For building permits, all of the information for Ellwood City Borough is with Lawrence County, for McDonald Borough is with Washington County, and for Trafford Borough is with Westmoreland County.
