ALCO Parking to Offer “CommuteInfo” Discounts Downtown

Pittsburgh – Commuters who choose carpooling or vanpooling as their way to work already save money by sharing a ride - - and now, those commuting into Downtown Pittsburgh, can save even more. CommuteInfo & ALCO Parking have developed a unique partnership, which allows those registered with the CommuteInfo program to save on their parking costs. ALCO has designated 3 lots for this special offer (Manor Complex Garage, Eleventh and Waterfront Lot, General Robinson, Lot 6), which allows the registered groups to save 20% off of the regular monthly lease rate.

“For those commuters traveling into downtown Pittsburgh, this can be a real savings – as much as \$420 per year” said Lisa Kay Schweyer of the CommuteInfo Program. “CommuteInfo has always helped commuters connect with vanpools and carpools by suggesting match-ups with fellow commuters, and providing information on transit, walking and biking. Now through our partnership with ALCO Parking, commuters can save even more money when they give carpooling or vanpooling a try.”

For more information about the parking discounts or CommuteInfo, please visit www.commuteinfo.org or call toll free 1-888-819-6110. For more information about ALCO Parking, please visit www.alcoparking.com or call 412-323-4455.
