

*Mapping the Future: The Southwestern PA Plan
Amended September 2017*

TABLE OF CONTENTS

SECTION 1: Introduction 1 - 1

SECTION 2: The Foundation of Mapping the Future.....2 – 1

 The Regional Vision.....2 – 1

 Regional Places.....2 – 4

 Regional Connections.....2 – 4

 Regional Activities.....2 – 4

 Regional Strategies.....2 – 5

SECTION 3: Public Participation.....3 – 1

 Introduction.....3 – 1

 Public Input, Review and Comment.....3 – 1

 Early Public Input: The TIP Update.....3 – 1

 Regional Forums and Online Surveys.....3 – 2

 Public Notice.....3 – 3

SECTION 4: Regional Geography/Existing Conditions.....4 – 1

 Physical Features.....4 – 1

 Water4 – 2

 Shale Gas Formations.....4 – 3

 Population4 – 5

 Future Population and Employment.....4 – 9

 Existing Transportation System.....4 – 11

 Roadways and Bridges.....4 – 11

 Public Transportation.....4 – 14

 Carpooling, Vanpooling, Ridesharing & Other Activities.....4 – 17

 Transit Oriented Development/TRID.....4 – 19

 Rail.....4 – 19

 Waterways and Ports.....4 – 21

 Airports.....4 – 25

 Pedestrian & Bicycle Network.....4 – 27

 The Appalachian Regional Context.....4 – 29

 Northern Neighbors.....4 – 31

 Southern Neighbors.....4 – 33

 Eastern Neighbors.....4 – 34

 Western Neighbors.....4 – 34

 Regional Context Summary.....4 – 35

SECTION 5: Performance-Based Planning.....5 – 1

 Draft Performance Measures Development.....5 – 1

 Key Regional Performance Measures5 – 6

*Mapping the Future: The Southwestern PA Plan
Amended September 2017*

SECTION 6: Achieving the Vision.....	6 – 1
Investment for Maintaining Infrastructure Condition.....	6 – 1
Multimodal Investment for Community & Economic Development.....	6 – 5
Summary.....	6 – 11
SECTION 7: Plan Implementation.....	7 – 1
Transportation Program Implementation.....	7 – 1
Transportation Improvement Program	7 – 1
Regional Operations Plan	7 – 2
Congestion Management Process.....	7 – 2
Active Transportation Plan.....	7 – 2
Public Transit-Human Services Coordinated Transportation Plan.....	7 – 2
Regional Freight Plan	7 – 3
Transportation Safety Action Plan.....	7 – 3
Unified Planning Work Program.....	7 – 3
Economic Development Program Implementation	7 – 4
Implementation Document (CEDS)	7 – 4
Implementation Programs for the CEDS.....	7 – 5
Partnership for Regional Economic Performance (PREP)	7 – 5
Business Finance Assistance Program.....	7 – 5
Community Assistance Program	7 – 5
Export Development Program	7 – 5
Government Procurement Assistance.....	7 – 6
Keystone Opportunity Zone Assistance	7 – 6
SECTION 8: Fiscally-Constrained Transportation Investments.....	8 – 1
8.A: Transportation Financial Planning.....	8 – 1
Transportation Investments Constrained Revenue Summary.....	8 – 2
Background.....	8 – 3
Federal Funding.....	8 – 3
State Funding.....	8 – 4
Revenue Growth and Inflation Adjustments.....	8 – 4
Additional Programs and Funding Sources.....	8 – 5
8.B: Transportation Investments.....	8 – 6
Transportation System Maintenance.....	8 – 7
Interstates	8 – 9
Non-Interstate Highways and Bridges.....	8 – 12
Public Transit Capital Maintenance.....	8 – 18
Public Transit Operations.....	8 – 20
Transportation Safety, Efficiency & Reliability.....	8 – 21
Efficiency/Operations.....	8 – 24
Safety.....	8 – 28
Multimodal Transportation for Community & Economic Development..	8 – 29
Complete Streets.....	8 – 32
Freight/Goods Movement.....	8 – 33
Public Transit-Human Services Coordinated Transportation.....	8 – 34

*Mapping the Future: The Southwestern PA Plan
Amended September 2017*

8.C: Advancing the Plan.....	8 – 35
Unified Planning Work Program.....	8 – 35
Transportation Improvement Program.....	8 – 36
Other Transportation Programs.....	8 – 41
Securing Additional Discretionary Revenues.....	8 – 42
Discretionary Funding Sources.....	8 – 42
Options for Raising Additional Funds/Innovative Finance.....	8 – 43
Plan Administration.....	8 – 45
8.D: Plan Performance.....	8 – 46
Planning & Environmental Linkages.....	8 – 46
Air Quality Conformity.....	8 – 48
Travel Times.....	8 – 53
SECTION 9: Monitoring Performance	9 - 1
Regional Congestion Management Process.....	9 – 1
Air Quality Conformity	9 – 1
FHWA Traffic Incident Management Self Assessment	9 – 1
Report on Environmental Justice.....	9 – 2
Planning and Environmental Linkage Report.....	9 – 2
Metropolitan and Statewide Planning Regulations.....	9 – 2
Highway Conditions	9 – 2
Highway Safety	9 – 2
Congestion Mitigation/System Performance.....	9 – 2
Freight	9 – 3
Transit Performance.....	9 – 3
National Performance Goals.....	9 – 3

APPENDICES

Appendix A: Performance Measures Survey Overview

Appendix B: Investment Priorities Survey Overview

Appendix C: Potential Projects

Appendix D: Transportation Investment Categories

Appendix E: Pennsylvania Turnpike Commission Project List

Appendix F: Public Transit Capital Maintenance Needs

Appendix G: Glossary and Acronyms

Appendix H: Changes to *Mapping the Future: The Southwestern PA Plan* in Response to Public Comments

Appendix I: Amendments to *Mapping the Future: The Southwestern PA Plan*—September 2015

Appendix J: Amendments to *Mapping the Future: The Southwestern PA Plan*—June 2016

Appendix K: Amendments to *Mapping the Future: The Southwestern PA Plan*—June 2017

Appendix L: Amendments to *Mapping the Future: The Southwestern PA Plan*—September 2017
