# Southwestern Pennsylvania Commission's Transportation Alternatives (TA) Set-Aside Program: 2021 Pre-Qualification Application

## Is the Proposal Consistent with the Regional Plan, Smart Moves for a Changing Region?

Check all that apply:

- *Connected mobility:* A world-class, safe and well maintained, integrated transportation system that provides mobility for all
- *Resilient communities:* The revitalization of our communities will make us a magnet for new investment. Intensive investments in connectivity, walkable neighborhoods, and green infrastructure will attract businesses and residents to newer and older communities alike
- *Globally Competitive Economy:* Strategic infrastructure investments and workforce training will make the region recognized as a global leader in technology and innovation

## Does the Proposal Advance and Promote Federal FAST ACT Performance Goals?

Check all that apply:

- *Safety:* To achieve a significant reduction in traffic fatalities and serious injuries on all public roads
- *Infrastructure Condition:* To maintain the highway infrastructure asset system in a state of good repair
- *Congestion Reduction:* To achieve a significant reduction in congestion on the National Highway System
- *System Reliability:* To improve the efficiency of the surface transportation system
- *Freight Movement and Economic Vitality:* To improve the national freight network, strengthen the ability of rural communities to access national and international trade markets, and support regional economic development
- *Environmental Sustainability:* To enhance the performance of the transportation system while protecting and enhancing the natural environment.
- *Reduced Project Delivery Delays:* To reduce project costs, promote jobs and the economy, and expedite the movement of people and goods by accelerating project completion through eliminating delays in the project development and delivery process, including reducing regulatory burdens and improving agencies' work practices

## Local Plan Consistency

Project is consistent with municipal and/or county comprehensive plan

## Certifications:

I certify that, as a project sponsor, all state and federal project development requirements will be met.

**Pre-Qualification Applications are due to SPC by COB September 10, 2021.**
