Active Transportation Forum

June 1, 2021; 10:00 am

Armstrong Trail / Ford City Memorial Park

Meeting Summary

1. Welcome: Leann Chaney, SPC

Leann welcomed participants and thanked them for joining SPC for a 10-15 mile, out and back, no drop bike ride for this quarter's Active Transportation Forum which was held as an "active meeting". She also shared that the trail location was selected based on responses from a survey that was conducted to gather group input on the location.

2. Introductions

Introductions were made during a ride break and participants shared stories about the strangest and/or largest item they have carried on their bike.

3. Trail ride/walk

Participants biked approximately 14 miles roundtrip on the Armstrong Trail, departing and returning from a point near Ford City Memorial Park. There were no participants for the planned walk/roll.

Those familiar with development of the Armstrong Trail shared information about trail development challenges, successes and future plans. They also pointed out historical features along the trail.

4. Roundtable Updates

The group held an outdoor, socially distanced roundtable update following a brown bag lunch at the park.
